

# The Official THEA® Test Study Guide

The Official THEA® Test Study Guide can be an important part of your preparation to take the Texas Higher Education Assessment® (THEA®) Test.

**NOTE:** The content of the THEA Test is the same as the former TASP Test. *The Official THEA® Test Study Guide* and *The Official TASP® Test Study Guide* contain official preparation material for the THEA Test.

The study guide contains a detailed instructional chapter on each of the skills eligible for testing and includes numerous examples and exercises and a full-length practice test complete with an answer key and detailed answer explanations. Each section of the study guide (Reading, Mathematics, and Writing) has a list of study resources and study ideas.

Order your copy of *The Official THEA® Test Study Guide* as follows:

- If you are registering for the test by U.S. mail, use the THEA Test registration form available in the printed registration bulletin, and order a copy of the study guide in section 15.
- If you are registering on the Internet, you may order a THEA Test study guide during the registration process.
- If you are ordering more than one copy or if you are not registering for the test at the present time, you may order a copy of the study guide by using the form below. Please note that study guides ordered from Evaluation Systems may take up to three weeks for delivery.

If you order a study guide and do not receive it within three weeks, please call (866) 565-4879. If you do not receive your study guide, you are still responsible for attending the test for which you are registered. If you are registering close to your test date, it may be to your advantage to purchase a study guide from a local college bookstore or other retailer.

*The Official THEA® Test Study Guide* is available as an audio recording. For further information, please contact Recording for the Blind & Dyslexic® (RFB&D®) at [www.rfbid.org](http://www.rfbid.org) or (800) 221-4792.

This is the only **official** study guide for the THEA Test. It was written by Evaluation Systems, the developer of the THEA Test. The Texas Higher Education Coordinating Board and the Texas Education Agency participated in its development. *The Official THEA® Test Study Guide* is an authoritative, comprehensive resource for THEA examinees.
